

Welcome to MARCATI

## Company profile

Marcati Vision Tech Group is a group enterprise engaged in the production and sales of glasses accessories products. After nearly 30 years of deep cultivation and development in the industry, the eyeglasses, cases and micro-fiber cloth produced by the Group have been sold all over the world. And our Group has been a major supplier of many eyeglasses brands and chain stores for years.

To adapt to market changes the Group has invested and built production plants in Myanmar and Vietnam, mainly producing various types of eyeglasses cases, including iron cases, handmade cases, soft cases, EVA cases and slip-in cases. Choose our products and services, you will get a package solution that is better quality, affordable and free of tariff barriers.
